Structured Finance
£548k

We are delighted to have provided this engineering business with a Structured Finance solution to support it through a full refinance.

The fully tailored solution includes a £500k Invoice Finance facility to assist with securing a robust access to cashflow, and a £48k Asset Finance line to refinance part of their existing fleet of vehicles and provide additional funding.

With the solution in place, the business now has all it needs to keep moving and meet its ambitions.
